I, J. T. Carmichael, Master (State whether Master, First, or Second Officer) of the S. S. "G U I A N A", from DEMERARA, Br. Gu., do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or, if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" for race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Wm. M. Caldwell, Surgeon of the S. S. "GUIANA", Sailing therewith (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly Swear that I have had Fifty one years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Harvard Medical School, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, one in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. T. Carmichael, Master, of the S. S. "GUIANA", from St.Kitts, B.W.I., do
(State whether Master, First or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section Three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, other countries, should be classed as "Italian, north." Most of these people speak a Gaelic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian, south."

Residence. The term "residence" means actual or constructive abode, and a person's residence is that place in which his habitation is fixed, and to which, whenever he is absent, he has the intention of returning. A mere floating intention, indefinite as to time, to return to a place does not make that place the residence of the person. For the purpose of this column, if an alien has resided in more than one place, the last place of residence should be given. The entries in this column should be exactly responsive to the question, and should not be abbreviated. Thus, the entry should be "Chicago, Illinois," or "Cook County, Illinois," and not merely "Chicago" or "Cook County." The entries in this column should be the last permanent residence of each alien, whether in the United States or elsewhere. If the alien has resided in the United States, the entry should show the last place of residence in the United States, and the entry should be the city, town, or village in which the alien resided with the intention of remaining one year or more, if such was the fact, regardless of length of actual residence thereon. The entries in this column should be the city, town, or village of last permanent residence. It is important that the exact place of residence be given. Abbreviations are to be avoided. Thus, the entry should be "Chicago, Illinois," and not merely "Chicago" or "Cook County." If the alien has resided in the United States and has also resided elsewhere, the entry should show the last place of residence in the United States and the last place of residence elsewhere. If the alien has resided in the United States and has not resided elsewhere, the entry should be "United States."

Relatives. The entries in this column should show whether the alien has a husband, wife, father, mother, grandfather, grandmother, child, brother, sister, uncle, aunt, cousin, nephew, or niece in the country whence he came, or has other relatives there, and should state which of these relatives the alien intends to join. The words "husband," "wife," "father," "mother," "grandfather," "grandmother," "child," "brother," "sister," "uncle," "aunt," "cousin," "nephew," and "niece" are the only words to be used in describing relatives. It is not sufficient to state that the alien has relatives or that he has no relatives, or to use indefinite terms, such as "friends" or "kinsfolk." The abbreviations "wife of," "husband of," "child of," "father of," "mother of," "grandfather of," "grandmother of," "brother of," "sister of," "uncle of," "aunt of," "cousin of," "nephew of," and "niece of" may be used. Thus, the entry should be "wife of John Doe," "father of John Doe," "brother of John Doe," etc. The entry should show the name and address of the nearest relative in the country whence the alien came. The entry should show the name and address of the nearest relative in the United States to whom the alien is going. The entry should show the name and address of the person who paid the alien's passage money. The entry should show whether the alien has ever been in the United States, and if so, when he was last here. The entry should show whether the alien has ever been in prison or in an almshouse or asylum, and if so, what institution and when. The entry should show whether the alien has a ticket through to his destination, and whether his passage has been paid by himself or by others. The entry should show whether the alien is in possession of $50 in money, and if not, how much he has. The entry should show whether the alien is coming to join a husband, wife, father, mother, grandfather, grandmother, brother, sister, uncle, aunt, cousin, nephew, niece, or other relative, and if so, what relative. The entry should show whether the alien is going to a relative or friend, and if so, what relative or friend, and the name and address of such relative or friend.

Answers. The answers should be self-explanatory, and the answers like "yes" or "no" will be sufficient. Answers to questions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40,

AFFIDAVIT OF SURGEON

I, Wm. M. Caldwell, Surgeon of the S. S. "GUIANA", Sailing therewith (state whether Surgeon sailing thereon or employed by transportation company on the same voyage), do solemnly, sincerely, and truly Swear that I have had Fifty one years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Harvard Medical School, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, one in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the nationality or race to which the alien belongs as a member, and by the language he speaks. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Whether a Citizen of the United States.* Steamship companies should instruct their agents to write in this column the word "Citizen" after the name of each person who is a citizen of the United States. The space in this column should be expressed in whole months, the latter if less than one year. This column should be answered by every alien.

Column 9. *Calling.* The answer should be "Farmer," "Laborer," "Servant," "Merchant," "Carpenter," "Tailor," "Shoemaker," "Blacksmith," "Clerk," "Cook," "Seamstress," "Milliner," "Dressmaker," "Wife," "Child," "Gentleman," "Lady," "Minister," "Professor," "Author," "Actor," "Actress," "Musician," "Editor," "Lecturer," "Physician," "Surgeon," "Nurse," "Barber," "Engineer," "Photographer," "Agent," "Manufacturer," "Banker," "Bookkeeper," "Accountant," "Boarding-house keeper," "Hotel-keeper," "Restaurant-keeper," "Saloon-keeper," "Retail dealer," "Wholesale dealer," "Peddler," "Butcher," "Baker," "Grocer," "Clothier," "Tobacconist," "Confectioner," "Contractor," "Mason," "Bricklayer," "Plasterer," "Plumber," "Gas-fitter," "Steam-fitter," "Roofer," "Painter," "Glazier," "Paper-hanger," "Decorator," "Upholsterer," "Cabinet-maker," "Carpenter," "Wood-worker," "Machinist," "Iron-worker," "Miner," "Mine-owner," "Quarryman," "Stone-cutter," "Brass-polisher," "Steel-polisher," "Wood-polisher," "Wood-turner," etc., and in the case of laborers, or other persons who have no particular calling, the answer should be "Laborer," "Servant," or "None," as the case may be. Persons having no occupation, such as children, should be so stated. Persons having means sufficient for their support, but who have retired from business, should be described as "Gentleman" or "Lady," as the case may be. Persons having a farm, either as farmer or laborer, should be described as "Farmer" or "Laborer," as the case may be.

Column 10. *Nationality.* The answer should be the name of the country in which the person was born, as "England," "Scotland," "Ireland," "France," "Germany," "Sweden," "Norway," "Russia," "Finland," "Poland," "Bohemia," "Austria," "Hungary," "Switzerland," "Holland," "Belgium," "Spain," "Portugal," "Italy," "Greece," "Turkey," "Syria," "China," "Japan," or the name of any other country in which the people have separate nationality.

AFRICAN (BLACK).

"African (black)" includes all persons of the Negro race born in Africa, whether natives of Liberia or not. The African Negro should be carefully distinguished from the American Negro, the latter being entered under the heading "Negro."

ITALIAN, NORTH.

The people who are natives of that portion of Italy lying north of the basin of the River Po, in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last Permanent Residence.* Actual residence, outside of residence of the year shall constitute residence. The intention with which an alien resided with the right to and remaining one year is immaterial. The question is, Has the alien resided here the full time mentioned in the section? The entries in this column should be the country in which each alien has last resided for one year or more, and not the country to which he may have gone and resided for a short time. It is important for the purpose of the compilation of statistics that these entries accurately show the country of last permanent residence. It is important for local purposes that these entries accurately show the country of last permanent residence, inde-pendent of the question of nationality or race.

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* The answer should be "United States," "Canada," "Mexico," "Cuba," "Porto Rico," "Central America," "South America," "Europe," "Asia," "Africa," "Australia," "Pacific Islands," or "Atlantic Islands," according to the country in which the person has last resided. It is important that the name and address of relative be given correctly and legibly, as the immigrant inspectors frequently have to communicate with relatives or friends of aliens in order to verify statements made by the aliens. The answer should be either Yes or No. If the answer is Yes, the name and complete address of the relative or friend should be given, as well as the relationship, if any, and the destination.

Column 13. *Whether in possession of $50 and if less, how much.* The answer should be either Yes or No. If the answer is Yes, the amount should be stated. Persons who are in possession of less than $50 should state the amount they have, whether they have more or not. Any amount of money may be carried, but the immigrant inspectors have to see that no person who has less than $50 is admitted unless he comes within one of the exceptions mentioned in the law. Immigrants may be asked to whom they owe money, and how much, and whether they have been in prison or almshouse or supported by charity, and for what reason they left their former homes, and whether they intend to return to their former homes after visiting the United States.

Column 14. *Whether ticketed to destination.* The answer should be either Yes or No. If the answer is Yes, the ticket should show definitely, by whom passage was paid, whether the immigrant has been supplied with money by others, or has paid his own way, and the amount so furnished or paid. The agent's responsibility ceases when he delivers to the master of the vessel a list containing the names of persons for whom he has purchased tickets, and the master is responsible for the proper landing of all persons on board his vessel. The agent should, however, ascertain from the immigrant himself whether he has been supplied with money by others, or has paid his own way, and the amount so furnished or paid. The answer should be given in each case.

Column 15. *Whether in the United States, to which he will go, and where he was last a resident.* The answer should be "Yes" or "No," as the case may be, and should show the State to which the alien is going, and the city, town, or village in which he was last a resident. The entries should be carefully examined, as it frequently happens that aliens who have been residents of the United States for many years, and who have gone abroad on a visit, return to the city in which they formerly resided, and the entry is made that they are going to that city, when in fact they have been living in some other part of the United States, and have gone to the city mentioned merely for the purpose of taking passage.

Column 16. *Whether ever before in the United States, when, and where.* The answer should be "Yes" or "No," as the case may be, and should show when the alien was in the United States before, and the year or period of years, and where he was in the United States before, and if so, what place or places he visited. The answer should show whether the alien has been in the United States before, and if so, what relatives or friends he has, and where they reside, and what relative or friend he was going to when he last came to the United States, and the name and complete address of such relative or friend.

Column 17. *Whether ever in prison or almshouse or supported by charity, and if so, what and when.* These questions are asked to ascertain if the alien belongs to any of the excluded classes. However, if answered in the affirmative, they do not debar the alien, unless the offense for which he was in prison involved moral turpitude, or unless he has been supported by charity within one year, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (if any).*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. (*Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival. For example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, boiler maker, steel polisher, steel pedaler, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, etc., or laborer, indefinite descriptions.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm or the income where he rates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and receiving officials during the personal examination of alien arrivals.

Column 8. (*Able to read or not.*—This column possibly coupled and contains the following question: "Read what language or dialect—(if any)—is understood, upon what occasion?" In answering this question the language understood by the alien is to be considered, and not the language in which he is able to read and claims exemption from the reading requirement. The record for each exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See U. S. races printed on back of this sheet. The entry should show the race or people as given to and by—

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and receiving officials in this regard. For instance, "France" appearing under the head of country does not mean French by race or people, and similarly, "French" appearing under the head of race or people does not mean France by country. An Irish, German, or Hebrew alien by race must not properly come under the heading of England, Switzerland, or any other country. In this connection the following discussions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether he come from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence; country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of person or relative or friend in country whence alien came.*—The entry should give name and address of such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence in the United States; country, if outside the United States.

Column 15. (*Whether having a ticket to such final destination.*—The answer should be either Yes (ticketed) or No (not ticketed).

Column 16. (*By whom was passage paid.*—The entry should show definitely by whom passage was paid, as if husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. (*Whether in possession of $50, and if less, how much.*—The answer should give in each case individual or family the exact amount of money. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. (*Whether ever before in United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period (years and place, as, 1891, Philadelphia, 1896, Philadelphia).

Column 19. (*Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers [illegible] are subject to revision by inspectors at time of the examination. To the Immigration Authorities at the Portof New York.

Gentlemen:

The bearer of this letter, Francis Edwards, whose signature, photograph and right thumbprint are given below, was discharged in this port on January 1, 1920 from the French Steamship POMONE, of "Les Affréteurs Réunis", (ThreeStar Line), upon the arrival of the vessel in this port direct from New York.

The bearer has to-day been signed on by me at normal wages as a coal passer to work his passage on the American Steamship GEORGEANNA WEEMS, which is about to sail for New York.

The seaman has lost all papers except his discharge, but from careful inquiry by this Consulate, it is thought that he is an American citizen.

Very respectfully yours,

[illegible]
Consul.

Francis Edwards

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reviewing officers during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column reads: Can he read? Can he write? Can he read and write? Read what language, if exemption is claimed, upon what ground? In answering this question the word "yes" or "no" in the affirmative should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked in these respects and reentry clerks in this regard. For instance, "France" appearing under the column headed "Country of which citizen or subject" does not mean "French" by race or people, and, similarly, "French" appearing under the column headed "Race or people" does not mean "France" by country. An Irish, German, or Hebrew alien by birth, but a citizen of France, would, if born abroad, come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last entry in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries should show the country and city or town of last permanent residence. It is important for record purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. Any detailed information as to whether alien will eventually return to native country should be carefully noted. In the case of aliens coming to a State, county, or city within the United States, the place only in the State of intended future permanent residence within the United States should be stated.

Column 14 (*Whether has ticket through to final destination*).—The answer should be either Yes or No, as the case may be.

Column 15 (*If not, whose is the passage paid*).—The entry should show definitely by whom passage was paid, as, for instance, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less how much*).—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1911, 1891–1895, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend, with name and complete address*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, if answers to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The inspector of the arriving alien only.

Column 3. *Age.* The answer in the case of a child should be expressed in years or months, the latter if under 1 year of age.

Column 4. *Sex.* The entry should be either M male or F female.

Column 5. *Married or single.* The answer should be M married, S single, Wd widowed, or D divorced.

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, profession, or other means by which the alien supports himself or herself, or by which the person who has sent for the alien proposes to support him or her. Such terms as "laborer," "servant," "farmer," "clerk," "merchant," "manufacturer," "gentleman," "lady," or other indefinite designations are not sufficient. Care should be taken to distinguish between farmers and farm laborers, regardless of the amount of money possessed by the former. A distinction should be made between persons who live on their income and those who have no income and support themselves by their labor. The occupation should be that at which the alien has been employed, or intends to be employed, rather than a past occupation. Wives and children should be entered as having no occupation unless they have an occupation other than that of housework, in which case it should be entered.

Column 7. *Able to read.* The entry should be made so as to show whether the alien can or cannot read the language or dialect used by him in some form. The fact that a person can read figures only should not be regarded as literacy within the meaning of the law. The mere ability to sign one's name should not be regarded as sufficient to constitute the ability to read.

Column 8. *Able to write.* The entry should be made so as to show whether the alien can or cannot write the language or dialect used by him in some form. The ability to write figures only should not be regarded as sufficient to constitute the ability to write within the meaning of the law. The mere ability to write one's name should not be regarded as sufficient to constitute the ability to write.

Column 9. *Nationality.* The answer should be the name of the country to which the alien owes allegiance, for example, German Empire, Russian Empire, Austria-Hungary, France, Sweden, Norway, Turkey, Greece, Portugal, Netherlands, Switzerland, Belgium, Spain, Denmark, Roumania, Bulgaria, Servia, China, Japan, Mexico, Liberia, Haiti, Santo Domingo, Cuba, Argentine Republic, Brazil, Chile, Colombia, Ecuador, Guatemala, Honduras, Nicaragua, Salvador, Uruguay, Venezuela, Australia, New Zealand, Tasmania, Canada, Newfoundland, India, Egypt, Arabia, Persia, Siam, Liberia, Turkey in Asia, Palestine, Syria, Arabia, Africa, Portuguese East Africa, Portuguese West Africa, Cape Colony, Natal, Transvaal, Orange River Colony, Hawaii, Philippine Islands, Porto Rico, Tutuila, Guam, Canal Zone, Shanghai, Hongkong, Tientsin, Chefoo, Hankow, Amoy, Swatow, Foochow, Canton, Newchwang, Mongolia, Thibet, Corea, Manchuria, Kiauchau, Kwantung, Wei-hai-wei, Kiangsu, Yunnan, Fukien, Chihli, Shantung, Shansi, Honan, Hupeh, Hunan, Shensi, Kansu, Szechuen, Kweichau, Kwangsi, Kwangtung, Kiangsi, Anhwei, Chekiang, Manchukuo, Inner Mongolia, Outer Mongolia, Tannu Tuva, Iraq, Iran, Afghanistan, Nepal, Bhutan, Kurdistan, Trans-Jordania, Lebanon, Arabia, Yemen, Oman, Aden, Muscat, Trucial Oman, Bahrein Islands, Qatar, Kuwait, Ibn Saud's Country, Asir, Hejaz, Transcaucasia, Georgia, Armenia, Kurdistan, Mesopotamia, Ceylon, Straits Settlements, Federated Malay States, Unfederated Malay States, Sarawak, Brunei, Sabah, Labuan, Netherlands India, Portuguese India, Macao, Timor, Annam, Cambodia, Laos, Cochin China, Tonkin, Burma, Andaman Islands, Nicobar Islands, Philippine Islands, Papua, Bismarck Archipelago, Solomon Islands, New Hebrides, New Caledonia, Fiji Islands, Samoa, Tonga Islands, Gilbert Islands, Marshall Islands, Caroline Islands, Ladrone Islands, Hawaii, Tahiti, Society Islands, Marquesas Islands, Paumotu Archipelago, Tubuai Islands, Rapa Island, Easter Island, Galapagos Islands, Iceland, Faroe Islands, Greenland, Lapland, Finland, Estonia, Latvia, Lithuania, Poland, Bohemia, Moravia, Austrian Silesia, Galicia, Hungary, Croatia, Slavonia, Dalmatia, Bosnia, Herzegovina, Montenegro, Albania, Serbia, Macedonia, Bulgaria, Roumania, Bessarabia, Transylvania, Crimea, Ukraine, Siberia, Turkestan, Caucasia, Algeria, Tunis, Morocco, Tripoli, Egypt, Abyssinia, Liberia, Sierra Leone, Gambia, Portuguese Guinea, Senegal, French Guinea, Ivory Coast, Gold Coast, Togoland, Dahomey, Nigeria, Kamerun, Spanish Guinea, Gaboon, French Congo, Angola, Belgian Congo, German East Africa, Rhodesia, Nyasaland, Portuguese East Africa, German Southwest Africa, Cape Colony, Natal, Transvaal, Orange River Colony, Madagascar, Reunion, Mauritius, Seychelles Islands, Canary Islands, Madeira Islands, Azores, Cape Verde Islands, Portuguese West Africa, Spanish Guinea, Fernando Po

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, C. de Broca, (State whether Master, First or Second Officer) of the Niagara, from Bordeaux, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use in Government offices only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter if only a few months under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married) or S (single). Widow or widower, or divorced, or legally separated, should be reported S.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stenographer, clerk, merchant, laborer, cabinet maker, engineer, blacksmith, tailor, tinner, or other definite description.

Any person, whether traveling with his family or not, who has been engaged in the past or is coming to the United States to engage in any kind of work under contract, express or implied, made previous to embarkation, should be reported as a contract laborer, whether skilled or unskilled, and whether engaged in mechanical, agricultural, professional, or other pursuits.

A person coming to work on a farm, either for himself or for others, should be reported as a farmer, farm laborer, or farm servant, according to the facts.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who pays him.

A farm servant is one who is employed to perform, on the premises and under the direction of the employer, such services as are usually performed by domestic servants, such as cooking, waiting on table, housework, dairying, and the like.

Stockmen, herders, shepherds, and drovers should be reported as such, according to the facts.

Laborers should be reported as laborers, whether skilled or unskilled, and farm laborers, regardless of the amount of money with which they may be provided.

A person who has been employed in any of the above-named occupations, but who is coming to the United States to follow some other occupation, should be reported as to his future occupation.

Persons having no occupation, such as women and children, should be reported as "None."

Column 8. *Nationality.*—The nationality of aliens should be determined by the country in which they were born. Nationality is frequently, but erroneously, determined by race or language. Thus, natives of Scotland are frequently reported as Irish because they speak English, and natives of Bohemia are frequently reported as Germans because they speak German. Nationality should be carefully distinguished from race, as the former has reference to country and the latter to descent. The following are examples of the proper designation of nationality: A native of Ireland, whether Catholic or Protestant, should be reported as Irish. A native of Germany, whether Jew or Christian, should be reported as German. A native of Bohemia, whether Slav or Teuton, should be reported as Bohemian. A native of Wales should be reported as Welsh, and not as English. A native of Scotland should be reported as Scotch. A native of Canada, whether of English, French, or other descent, should be reported as Canadian. A native of Mexico, whether of Spanish, Indian, or mixed descent, should be reported as Mexican. A native of Cuba, whether white or black, should be reported as Cuban. A native of Porto Rico should be reported as Porto Rican. A native of Hawaii should be reported as Hawaiian. A native of Syria, whether Turk, Arab, Jew, Greek, Armenian, Catholic, Protestant, Druse, Maronite, Nestorian, or Copt, should be reported as Syrian. A native of Arabia should be reported as Arabian. A native of Persia should be reported as Persian. A native of Afghanistan should be reported as Afghan. A native of India, whether Hindu, Parsee, Brahmin, Eurasian, Afghan, Sikh, Jat, Pathan, Beloochee, Rajput, Punjabi, Mahratta, Bengalee, Madrassee, Cingalese, Coorg, Nepalese, Burmese, Malay, Siamese, Singhalese, Tamil, Telugu, Kanarese, Malayalam, Khond, Bhil, Gond, Santal, Kohl, Karen, Lepcha, Garo, Khasi, Mishmee, Naga, Munipuri, Toda, Kuki, Angami Naga, Tipura, Abor, Mikir, Lushai, Chakma, Mech, Dhimal, Changlo, Mithan, Singpho, Shendu, Jaintia, Kachari, Rabha, Hajong, Boro Kachari, Lalung, Synteng, Garo, Khasi

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [1st] Off. Brun, (Master, 1st or Second Officer) of the Niagara, from Bordeaux, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN—NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Liguria, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian—north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Lazio, Abruzzi, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian—south."

Column 11. *Last permanent residence.* A foreign intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence recorded, even though actual residence thereon may have been short. The entries should show the country and city or town of last permanent residence. It is important for statistical purposes that township, magisterial district, county of birth, nationality, or race be not entered in lieu of the country of last permanent residence, which is the country that permanent residents of the United States and naturalized citizens should be recorded.

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* The entry should state name and address of such relative. If no such relative, the fact should be stated.

Column 13. *Ultimate destination.* The answer to this question shall show the intended future permanent residence. An intended temporary residence shall not constitute permanent residence. The entry should show the city or town of intended future permanent residence, if within the United States, and the State in the United States.

Column 14. *Whether in possession of railroad ticket to such point.* The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom passage paid.* The entry should show definitely by whom passage was paid, as self, husband, father, mother, other relatives, friends, steamship company, etc.

Column 16. *How much money in possession, and if less than $50.* The answer should be given in each case to the nearest dollar. The exact amount of money shown. Money brought by the head of a family should not be divided, but as the property of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1894–1896, Philadelphia.

Column 19. *Whether ever before came to this or any other country, and if so, what country or countries.* The answer should show whether or not Yes or No to any other country, and if so, what country or countries.

Column 20. [illegible] The questions are self-explanatory and the answers, like all other, on the sheet, are to be given full and complete answers to the examining officer. However, in answering question 20, if the person has been deported previously and the Secretary of Labor has authorized him to apply for readmission, the fact and the date of such application should be given.

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheet [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (*Number on list*). Steamship lines should make an entry in this column. The space is for use of Government officials only.

Column 2. The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3. The entry should be either Male or Female.

Column 4 (*Married or single*). The answer should be Married, Single, Widowed, or Divorced.

Column 5 (*Occupation*). The entry should indicate what the person, if employed, actually does in the occupation, trade, or profession in which he engages. General terms, such as "laborer," "clerk," "manufacturer," "agent," "engineer," are insufficient. Such occupations as "gentleman," "lady," and "none" should not appear opposite the name of any person over fourteen years of age.

A distinction should be made between Scotch and English, regardless of the amount of income shown as follows:

A farmer who operates a farm, either himself or together with laborers, whether he owns the farm or not.

A farm laborer who works on a farm for wages, whether by the day, week, or month.

Steamship companies should make the distinction between skilled and unskilled laborers, and correct one should be made if necessary, by inspectors and others examining the passengers at the time of the examination of alien arrivals.

Column 6. [illegible] Opposite each alien should appear the full name of the country to which he or she belongs. In answering this question, the word "United States" will not be accepted. It is desired to ascertain whether the alien is native or naturalized. Therefore, a native of Germany who has become a naturalized citizen of the United States should write "Germany" in answer to this question. Likewise, a native of Ireland who has become a naturalized citizen of the United States should write "Ireland" in answer to this question. Simply writing "British" will not be sufficient information. Specific information is required as to whether the person belongs to England, Scotland, Ireland, Wales, or some other constituent part of the British Empire.

Special attention is called to the following classes, who are frequently admitted to the United States, and particular care should be exercised to see that they are properly and correctly described:

The term "Hebrew" is not a race or people. Immigrants who belong to the Hebrew race may be natives of Russia, Germany, England, France, Italy, Spain, Turkey, Africa, Germany, or Holland. Hebrews should be described according to the country from which they come, and not as Hebrews.

West Indian. Natives of the British West Indies should be described as "British West Indian," natives of the Republic of Haiti as "Haitian," natives of the Republic of Cuba as "Cuban," natives of the Dominican Republic as "Dominican," natives of the Republic of Panama as "Panaman," and natives of the Republic of Colombia as "Colombian."

Spanish American. Natives of the Republics of Central and South America, except those mentioned above, should be described as "Spanish American."

African (Black). Natives of the West Indies, South or Central America, Europe, or Africa who are of the African Negro race should be described as "African (Black)."

The people who are native to the Iberian Peninsula, that is, the Kingdom of Portugal and the Kingdom of Spain, including the Balearic and Canary Islands, should be described as "Iberian (South)."

The people who are native to the Italian Peninsula, including Sicily and Sardinia, and the adjacent islands, should be described as "Italian (South)."

Column 7 (*Can read*). Answer should be "Yes" or "No."

Column 8 (*Can write*). Answer should be "Yes" or "No."

Column 9 (*Can both read and write*). Answer should be "Yes" or "No."

Column 10 (*Last permanent residence*). The answer should be the name of the country which the alien has left to come to the United States. The answer should not be a city, a province, or a part of the country, but the name of the country itself.

Column 11 (*Race or people*). The answer should be the race or people to which the alien belongs, as English, Irish, Scotch, Welsh, German, Swedish, Norwegian, Danish, Dutch, Flemish, French, Spanish, Portuguese, Italian (North), Italian (South), Polish, Russian, Finnish, Lithuanian, Hebrew, Bohemian, Moravian, Slovak, Magyar, Croatian, Servian, Bulgarian, Roumanian, Greek, Turkish, Armenian, Syrian, Arabian, Japanese, Chinese, Hindu, Corean, Mexican, Indian, Negro, African (Black), Spanish American, West Indian, Pacific Islander, East Indian, Scandinavian, Other Nationalities.

Column 12 (*Name and address of nearest relative or friend in country whence alien came*). The answer should be the name and address of the husband, wife, father, mother, child, brother, sister, grandfather, grandmother, uncle, aunt, nephew, niece, cousin, or other relative or friend who resided in the country from which the alien came. The name and address of a steamship ticket agent will not be sufficient.

Column 13 (*Final destination*). The answer to the question should show the intended future permanent residence. An intended address of "New York" should not be sufficient. The city should show definitely the place to which the alien intends to go, as "New York, N. Y." Most of these people speak a Gaelic dialect of the Italian language.

Column 14 (*Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address*). The answer should show whether going to join relatives or friends, and if so, what relative or friend, with name and complete address.

Column 15 (*Ever in the United States before? If so, when and where?*). The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place or places of residence, as "1903, Philadelphia."

Column 16 (*Whether having a ticket through to destination*). The answer should show whether or not the alien has a ticket through to the place of intended permanent residence.

Column 17 (*Whether in possession of $50 and how much; if less than $50*). The answer should be "Yes" or "No," and the amount should be stated. Money brought by the head of a family should be considered as the property of the family.

Column 18 (*Whether coming by contract or otherwise*). The answer should be "Yes" or "No."

Column 19 (*Whether a person likely to become a public charge*). The answer should be "Yes" or "No."

Column 20 (*Whether ever before in the United States, when, and where*). The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place or places of residence, as "1903, Philadelphia."

Column 21 (*Whether ever in prison or almshouse or supported by charity*). The answer should be "Yes" or "No."

Column 22 (*Whether a polygamist*). The answer should be "Yes" or "No."

Column 23 (*Whether under contract or labor, express or implied, to perform labor in the United States*). The answer should be "Yes" or "No."

Column 24 (*Whether an anarchist*). The answer should be "Yes" or "No."

Column 25 (*Whether a prostitute*). The answer should be "Yes" or "No."

Column 26 (*Whether coming for an immoral purpose*). The answer should be "Yes" or "No."

Column 27 (*Whether coming for any other purpose*). The answer should be "Yes" or "No."

Column 28 (*Whether married or single*). The answer should be "Yes" or "No."

Column 29 (*Whether a male over 16 and under 60 years of age, and if so, whether able to read*). The answer should be "Yes" or "No."

Column 30 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to correction by the examining officers. However, in answering question 32, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full of every alien.* Should include given name and surname in the order usual in the United States. The name should be carefully spelled, and initials should not be used except when they are customarily employed.

Column 3. *Age.* Write the age of each alien after his name. If under 1 year, the age should be expressed in months, the latter appearing directly under the age of persons.

Column 4. *Sex.* Write the word "male" or "female" after the name of each person.

Column 5. *Married or single.* The entry should be "married," "single," "widowed," or "divorced."

Column 6. *Calling or occupation.* The entry should show the occupation, if any, of each alien. Wife and children, unless they have an occupation, should be returned as having no occupation. Laborers should be further described as agricultural laborers, farm laborers, or laborers, according to the usual designation in the locality from which they emigrate.

Column 7. *Nearest relative or friend in country whence alien came.* The entry should show the name and complete address of the nearest relative or friend of the alien in the country whence he came. If possible the name of a relative should be given, but if the alien has no relative living, the name and address of the friend who paid his passage or with whom he was last in touch should be given. The relationship of relative or friend should be stated.

Column 8. *Final destination (city or town, and State).* The entry should show the name of the city or town in the United States where the alien intends to reside, and the name of the State. If the alien has friends or relatives to whom he is going, their names and complete addresses should be given. If he has no friends or relatives, but has been assisted by a society or other agency, the name and address of such society or agency should be given. If he has neither friends nor relatives nor assistance, the name of the city or town in the United States where he has been directed to go should be given.

Column 9. *Whether having a ticket through to final destination.* The answer should be "Yes" or "No."

Column 10. *Whether coming to join a relative or friend, and if so, what relative or friend, with name and complete address.* The answer should show whether the alien is coming to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 11. *Whether in possession of $50 and if less than $50 how much.* The answer should show whether the alien has in his possession at the time of landing at least $50 in money, and if he has less than $50 the exact amount should be stated. In the case of a family the possession of $50 by the head of the family or by the wife will be sufficient.

Column 12. *Whether ever before in the United States, and if so, when and where.* The answer should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as "1894, 1897, Philadelphia."

Column 13. *Whether going to join a husband, father, or other relative in the United States, and if so, what relative and his name and complete address.* The answer should show whether the alien is going to join a husband, father, or other relative in the United States, and if so, what relative and his name and complete address.

Column 14. *Whether going to join a friend, and if so, what friend and his name and complete address.* The answer should show whether the alien is going to join a friend, and if so, what friend and his name and complete address.

Columns 15 to 20. *Whether ever in prison or almshouse or supported by charity, and if so, which; whether a polygamist; whether an anarchist; whether coming by reason of any offer, solicitation, promise, or agreement to perform labor or service of any kind; whether ever before deported from the United States, and if so, how many times and the cause for each deportation; whether now or ever afflicted with tuberculosis, or with a loathsome or dangerous contagious disease, and if so, what disease.* These questions are self-explanatory and the answer, like all others in the sheet, are subject to revision by an immigrant officer in the examination of aliens. However, in answering question No. 20, if the alien has been deported with prior consent of the Secretary of Labor has authorized him to reapply for admission the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Sh. de Broca, (Master, Commanding Officer, or First or Second Officer) of the [illegible], from Bordeaux, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets seventeen in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sobrera.
Master or Officer.

Sworn to before me this [illegible] day of JAN, 19[illegible]
at [illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 *Age.* — Age at last birthday in this column should be expressed in years or months, the latter applying only to those under 1 year old.

Column 5 *Sex.* — The entry should be either M (male) or F (female).

Column 6 *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 *Calling or occupation.* — The entry should be as complete as possible (the occupation, trade, or profession of each alien over 14 years of age. Common terms, such as laborer, farmer, merchant, engineer, housekeeper, seamstress, teacher, servant, clerk, etc., are not sufficient, as it is desired to obtain definite information as to the character of the work in which the aliens are engaged.

A distinction should be made between farmer and farm laborer, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or another's.

A farm laborer is one who works on a farm for the benefit of the employer or another.

Similar distinctions should be made in the case of other occupations. All corrections should be made, if necessary, by inspectors and clerks, to obtain the correct classification of alien arrivals.

Column 8 *Able to read and write.* — The column should contain the following question: Can the alien read? (Can he read some language?) In answering this question, the alien should not be required to read in the presence of the inspector, but the answer should be based upon what the alien shall state. If the alien is able to read and claims to read from the reading requirement, the word "Read" should be entered. If unable to read and claims to read from the reading requirement, the word "Not read" should be entered.

Column 9 *Nationality.* — Column 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 *Race or people.* — The entry should be as indicated, as precisely as possible, the following:

[illegible]

West Indian, not otherwise specified, should be entered as such. Other Asiatics or Africans should be entered as such.

[illegible]

Syrian, Armenian, not otherwise specified, should be entered as such. Armenians coming from Turkey should be entered as such.

[illegible]

African (black) should be entered as such. Other Africans should be entered as such. Natives of the West Indies, South or Central America, Europe, or Asia should be entered according to the country of which they are natives or citizens or subjects. Natives of the British Dominions should be entered as such, and not according to the race or people to which they belong.

ITALIAN, NORTH

The people who are natives of the basin of the River Po, comprising Italy's seven provinces of Piedmont, Lombardy, Venetia and Emilia and the third descendants, who are residents of Austria-Hungary or any other country, should be classed as Italians, North. Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po, comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as Italians, South.

Column 11 *Last permanent residence.* — Actual or permanent dwelling place, and not a temporary sojourn or visit, should be stated. The last country in which alien resided for one year or more shall be the last permanent residence, regardless of the intention of the alien to return to the country of his former residence. The entry in column 11 should show the country and city or town of last permanent residence, as nearly as practicable, for statistical purposes that steamship companies are separately required to furnish. The entry should be independent of country of temporary residence, country of birth, country of nationality, etc.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 *Name and address of relative in country whence alien came.* — The entry should give name and address of such relative. If no such relative, insert "None." Not sufficient address of friend.

Column 13 *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town intended future permanent residence, within the United States, country, if outside the United States.

Column 14 *If the destination is to a friend, state relationship.* — The answer should be either Yes or No (ticket or No ticket).

Column 16 *By whom was passage paid.* — The entry should show definitely by whom passage was paid, as cash, by husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 *How much money had alien in his possession?* — The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 *Whether in possession of railroad ticket to any interior point, and if so, where?* — The entries should show whether or not. Yes or No in the United States, but not the city or town, and the year or period of years and place, as, 1891, 1896, Philadelphia.

Column 19 *Whether going to join a relative or friend, and if so, what relative or friend.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by inspectors in charge as to the examination of aliens. However, in answering question 26, if alien has been deported or has gone to Canada or Mexico with a view of inducing the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ALIEN

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. de Broca, of the , from Bordeaux, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A de Broca
2e Officer.

Sworn to before me this day of , 19

at NEW YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, coal miner, farm laborer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make no original entries on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Read what language, if exemption claimed, and upon what grounds?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be shown, thus: "Age 70."

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully revised by the inspectors and registry clerks in this regard. For instance, Chinese applying under the head of country does not mean "French" by race or people, and, similarly, French applying under the head of race or people does not mean "France" by race. An Irish, German, or Hebrew alien may be a native of any one of the countries under the heads of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people but not to negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

NEGRO (AFRICAN).

African (black) refers to the African Negro, who does not emigrate to the United States of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

HEBREW.

The Hebrew people is not properly speaking a race, but it is a homogeneous people, having a common religion, perhaps more closely united than any other people by ties of blood, tradition, and custom. Large numbers of Hebrews emigrate to the United States from Russia, Austria-Hungary, Germany, Roumania, England, and other countries. Hebrews may be of any color, complexion, or cranial formation, and are frequently designated as such.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual and uninterrupted residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence for one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence. If within the United States, country it is outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom were passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether ever (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are solely explanatory and the answers, like all others on the sheet, are subject to revision by inspectors in the examination of aliens. However, the answer to question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Ch. de Proca (State whether Master, First, or Second Officer), of the ..... , from Bordeaux , do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master.

Sworn to before me this [illegible] day of JAN [illegible], 19

at NEW YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible] make no entries in this column. The space [illegible] should be expressed in years or months, the latter [illegible] Married, Single, Widowed, or [illegible] should be entered accurately as possible the occupa[illegible] Clerk, engineer, cattle dealer, merchant, boot[illegible], wood turner, etc., and not laborer, regardless of the amount of money [illegible] for others [illegible] the nearest and correct home should be made [illegible] Each adult male alien arriving [illegible] shall be examined separately and answer the following questions [illegible] Each question should be read to the alien in such manner that there can be no mistake [illegible] the alien understands the question [illegible] The answer [illegible] the country of which the alien [illegible] Columns [illegible] The entry should show the [illegible] Specify whether the [illegible] of which citizens [illegible] should be entered [illegible] appear under the [illegible] French' appearing [illegible] Germans or Hebrews and [illegible] the United States or any other country. In the [illegible] the following should be specially observed:

CUBAN.

The term 'Cuban' refers to the Cuban people (not negroes).

WEST INDIAN.

[illegible] refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

[illegible] refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

[illegible] African negroes, whether coming from Cuba or other islands of the West Indies [illegible] Europe or Africa. An American negro with admixture of blood of the African [illegible] under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Destined to (name).* The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should be made: The place to which intended future permanent residence, if within the United States, the country, if outside the United States.

Column 14. *If either has been rejected heretofore, why?* The answer should be either Yes (cricket) or No (cricket).

Column 15. *Whether in possession of $50 and by whom purchased.* The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16. *Whether ever before in the United States, and if so, when and where.* The answer should give in each case the last previous entry, the exact amount of money shown. Money brought by the head of a family should be stated only once, the exact amount of money shown.

Column 17. *Whether going to join a husband, father, or other relative in the United States, and if so, what relative, and where.* The entries should show whether the alien is joining a relative, and if so, the year or period of years, and place, as 1901, Philadelphia.

Column 18. *Whether going to any relative or friend, and if so, what relative or friend.* The answer should show whether the alien is joining a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23. These questions are self-explanatory and the answers, like all others on the sheet, are subject to inspection by the examining officer in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Syndram can, Surgeon of the ....., ..., do solemnly, sincerely, and truly swear that I have had Eighteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Canada ....., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, seventeen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible] should make no entries in this column. The space [illegible] this column should be expressed in years or months, the latter [illegible] Sex. Enter in this column whether M male or F female [illegible] The answer should be "Married," "Single," "Widowed," or [illegible]

[illegible] The entry should be made distinctly and legibly with ink or pencil, in such manner that it can be easily read and understood. [illegible] Examples of the proper entries are: Carpenter, merchant, wood turner, etc., and not [illegible] Laborers, farmers, and farm laborers, regardless of the amount of money [illegible]

[illegible] For example, the name of a father [illegible] or for others [illegible] to the most prosperous [illegible] and corrections should be made [illegible] the port of last embarkation at foreign ports [illegible] Ellis Island and contain the following questions [illegible] In answering this question whether [illegible] able to read and [illegible] intelligently in the language or dialect of some people which he can read, whether such [illegible] be given [illegible] considered to mean the country of which the [illegible] the race or people to which he belongs. [illegible] Hebrew, Italian, Negro, Polish, Spanish, Spanish-American, Russian, Scotch, Welsh, West Indian, or other race or people, and not [illegible] "French" appearing under the head of country, descriptions [illegible] "Irish," "German," or "Hebrew" should be [illegible] An Irish, German, or Hebrew alien [illegible] in France, England, or any other country. In this section the following directions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

[illegible] to the people of the West Indies (other than Cuban or Negro).

SPANISH-AMERICAN.

[illegible] to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

[illegible] from Cuba or other islands of the West [illegible] with admixture of blood of the African [illegible]

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, [illegible] Basilicata, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more will be the last permanent residence regardless of length of actual residence there. The entries in this column should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States should be recorded "United States."

Column 12 (*Destined to the United States*). The answers in this column should show the name of the city or town of intended future permanent residence. The answer should be either Yes or No. If the answer is Yes, give name and address of relative or friend in the United States whom alien intends to join or who has sent him money for his passage. If alien has no relative living, give name and address of friend who has sent him money for his passage or to whom he intends to go. If going to join relatives, the name and address of such relatives should be given.

Column 13 (*Ever in the United States before?*). The answers to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence, if within that time the alien does not change his intention. The answer should be either Yes or No.

Column 14 (*Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address*). The answers to this question should show whether alien has been in the United States before, and if so, the year or period of years and place or places of such former residence. The answer should be either Yes or No.

Column 15 (*Ever in prison, or supported by charity, and if so, which?*). The answers to this question should show whether alien has been in prison or supported by charity, and if so, which. The answer should be either Yes or No.

Column 16 (*Whether a polygamist*). The answers to this question should show whether alien is a polygamist. The answer should be either Yes or No.

Columns 20 to 23. These questions are self-explanatory and the answers (Yes or No) to each should be carefully noted by the inspector in the examination of aliens. However, to answer any one of these questions in the affirmative is not necessarily to debar the alien from admission to the United States, as the Secretary of Labor has authorized the admission of aliens who answer certain of these questions in the affirmative, provided they are not otherwise debarred from admission. The Bureau of Immigration and the Secretary of Labor has authorized the following exceptions: Aliens who answer "Yes" to question 20 will not be debarred from admission unless they are found to be within one of the classes excluded by law. Aliens who answer "Yes" to question 21 will not be debarred from admission unless they are found to be within one of the classes excluded by law, or unless they have been deported from the United States within one year prior to the date of their application for readmission. Aliens who answer "Yes" to question 22 will not be debarred from admission unless they are found to be within one of the classes excluded by law, or unless they have been deported from the United States within one year prior to the date of their application for readmission, the authority for such reapplication should be given.

Gindraneau, Surgeon of the [illegible], do solemnly, sincerely, and truly swear that I have had fifteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, seventeen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. de Broca (Master, or First, or Second Officer) of the ..... from Bordeaux, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, seventeen in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A. de Broca
2nd Officer.

Sworn to before me this ... day of ..., 19..

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, laborer, engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following question: "Can read?" In answering this question it will be sufficient [if, in fact, such person is claimed, upon what ground]." In answering this question the entry should show whether the alien is able to read or has not read. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special care should be had to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully examined by the inspector and registry clerks in this regard. For instance, "France" appearing under the head of "Country of which citizen or subject" is sufficient, and, similarly, "French" appearing under the head of "Race or people" is sufficient. "French" is a race or people, and, similarly, "French" appearing under the head of "Country of which citizen or subject" is sufficient. "French" is not a country. An Irish, German, or Hebrew alien born in France should not be entered as a native of France, but should be entered under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent to remain one year or to reside will be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States. State (or country), if out side the United States.

Column 14 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Whether paid by whom sent person*).—The entry should show definitely by whom passage was paid—as, himself, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case the individual or family the exact amount of money shown. Money brought by the head of a family should be accounted for by the several members of the family.

Columns 17 and 18 (*Whether ever in the United States; and if so, when and where*).—The entries should show whether not (Yes or No) in the United States before; and if so, the year or period of years and place, as, 1898–1900, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are required for the information of the Government in the examination of aliens. However, in answering question 32, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, G. C[illegible]endronneau, Surgeon of the [illegible], (state whether acting under the orders of the Treasury Department or employed by the owners of the vessel, as the case may be) do solemnly, sincerely, and truly swear that I have had fifteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, farming engineer, brass polisher, steel polisher, iron molder, wood turner, etc., as distinguished from brass worker, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and testing clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: Read what language or tongue, if except as is claimed, upon what ground?" In answering this question the word "read" means the ability to read, and should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special care should be paid to the distinction between race and the country of which citizen or subject. Citizens of the same general race and country of birth, and manifests should be carefully checked by inspectors and testing clerks in this regard. For instance, "France" appearing under the head of country of nationality means "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race may be a citizen or subject of England, Switzerland, or any other country. In the distinction the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native from Cuba or other islands of the West Indies, South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be returned under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country if out side the United States.

Column 15 (*Whether in possession of $50 and if less, how much*).—The answer should be either Yes (or Y) or No (or N), as the case may be.

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as, e. g., himself, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should be considered as one of the several members of the family.

Columns 18 (*Whether ever in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as, 1906 1907, Philadelphia.

Column 19 (*Whether going to any relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

207

AFFIDAVIT OF SURGEON

I, ... G. Gendronneau, Surgeon of the ..., do solemnly, sincerely, and truly swear that I have had Sixteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ... ; and that I have made a personal examination of each of the aliens named in rein, and that the foregoing Lists or Manifest Sheets, ... in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before the immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aforementioned aliens noted thereon and attested over his signature.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 1, 2 (*Number on list, Last name and first name*).—Steamship lines should make no entries in this column. The space [illegible] respectively.

Column 3 (*Age*).—The age in this column should be expressed in years or months, the latter [illegible] under one year of age.

Column 4 (*Sex*).—The entry should be either M, male, or F, female.

Column 5 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or [illegible].

Column 6 (*Occupation*).—The entry should describe as accurately as possible the occupation [illegible] each alien engaged, as for example: Civil engineer, statistical engineer, [illegible] dressmaker, tailor, boot and shoe maker, cooper, stonemason, carpenter, blacksmith, machinist, [illegible] wood turner, etc., and not laborer, farmer, or servant, unless [illegible] such.

No distinction should be made between farmer and farm laborers, regardless of the amount of money [illegible].

Any person who assumes to form, either for himself or for others [illegible] the manifests.

Any alien [illegible] shall be rejected and returned on the vessel that brought him, and the cost of [illegible] and return will be collected from the master, owner, agent, consignee, or charterer of the vessel bringing the person for examination. Erasures on the manifests, and corrections should be noted [illegible] the surgeon at the time of the physical and mental examination of alien arrivals.

Column 7 (*Can read [illegible]*).—Here choose between the words read and cannot read, thus answering the question: Can the alien read any language or not? In answering this question, the alien will be required to read [illegible] Persons unable to read, but claiming exemption from the reading test, as [illegible] exception from the reading requirement, the word read is to be continued to mean the country of which alien [illegible] a subject.

Column 8 (*Race or people*).—See list of races printed on back of this sheet. The entry should state [illegible] each alien as belonging.

Several races should be specified in the distinction between race and the country of which the alien [illegible] a subject. For instance, natives of Scotland, Ireland, and Canada should be entered as Scotch, Irish, and Canadian, respectively, and not as British. Natives of Germany, Austria, and Switzerland should be entered as Germans or Hebrew, as the case may be, and not as Austrians, Austro-Hungarians, Swiss, or Switzerland. In the case of Hebrews, the countries from which they emigrated should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

CENTRAL AMERICAN.

The term "Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The term "African (black)" refers to natives of Africa, or persons from Cuba or other islands of the West Indies, [illegible] African descent. All persons with admixture of blood of the African [illegible].

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or some other country, should be classed as "Italian (north)." Most of these people speak a Gaulic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A mere visit or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries should show the country and city, or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of former permanent residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address [illegible].

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year, or more, constitutes permanent residence. The entry should state the place, name of town, or intended future permanent residence, if within the United States, [illegible] destination in United States.

Column 14 (*Whether having a ticket to such destination*).—The answer should be either Yes or ticket or No or no ticket.

Column 15 (*Whether passage paid*).—The entry should show definitely by whom passage was paid, as "Self," "Friend," "Father," "Mother," or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and by whom furnished; if less than $50, how much*).—The answer should give in each case individual amounts, thus: "Self, $30; wife, $20," or "Father, $100; self, $5; wife, $5; each child, $5," or "Self, $10," or "Self, $50," or "None," as the case may be. Money brought by the head of a family should, in the majority of cases, be considered as that of the family.

Column 17 (*Whether ever before in United States, and if so, when and where*).—The entries should show whether alien has been in the United States before, and if so, the year or period of years and place or places visited, as "1903, Philadelphia."

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 23.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to rejection by the examining officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, ... G. Gondrameau ..., Surgeon of the ... N ..., (title which he regularly holds in the service of the United States, or other employment under the Government) ..., do solemnly, sincerely, and truly swear that I have had fifteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ... AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... Andr Moca ..., of the ..... , from Bordeaux , do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Seventeen in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

2nd Officer.

Sworn to before me this 29 day of JAN ..., 19

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (Divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, tailor, cabinet maker, bricklayer, engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make all changes in this column, and corrections should be made, if necessary, by inspectors and secretary's clerks during the personal examination of alien arrivals.

Columns 8 (Able to read) and 9 (Race).—This column is subdivided and contains the following questions:

Read what language, if exemption is claimed, upon what grounds.—In answering this question the entry should be the alien's ability to read should be stated. If alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Columns 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See last 6 races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and secretary's clerks in this regard. For instance, "France" appearing under the head of race does not mean "French" by race or people, and, similarly, "French" appearing under the head of country does not mean "France" by country. An Irish, German, or Hebrew alien is frequently so reported, and not infrequently under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States country, if outside the United States.

Column 15 (Whether having through ticket to final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (By whom was passage paid).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 17 (How much money alien has in his possession).—The answer should give in each case individual dollar amount, the exact amount of money shown. Money brought by the head of a family should not be divided between the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1907, Philadelphia.

Column 19 (Whether going to join relative or friend; and if so, what relative or friend).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors, officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given. . . . . .

AFFIDAVIT OF SURGEON

I, E. Gendreau, Surgeon of the ..... , [State whether "Surgeon" making the oath" or "employed by owners thereof" as the case may be] do solemnly, sincerely, and truly swear that I have had Sixteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Paris ..... , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, seventeen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

E. Gendreau

Sworn to before me this ..... day of JAN ..... , 19 .....

.....

[Signature and title of immigration or other officer authorized to administer oaths]

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible] should make no entries in this column. The space [illegible]

[illegible] in this column should be expressed in years or months, the latter [illegible]

[illegible] either Male or Female.

[illegible] Single, Married, Widowed, or Divorced.

Column 6, Occupation. The answer should be Married, Single, Widowed, or Divorced.

Column 7, Calling or occupation. The entry should describe as accurately as possible the occupation, trade, or calling of each alien, as for example: Cotton planter, stationary engineer, locomotive engineer, miner, coal miner, brass founder, steel polisher, iron molder, wood turner, etc., and not laborer, servant, or farmer, unless the alien has no occupation.

A distinction should be made between farmer and farm laborer, regardless of the amount of means.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

[illegible] should make no distinction as to the nationality, and corrections should be made [illegible] between the personal examination and arrival.

Column 8, Nationality of each alien. This column is to be filled to indicate the following question: Read carefully and [illegible] to what country [illegible] In answering this question [illegible] appearance [illegible] be accepted. It should be remembered that [illegible] to read and [illegible] ONE, and that [illegible] the record for each [illegible] bound between [illegible]

Column 9 should be construed to mean the country of which [illegible]

Column 10, Race or people. See list of races printed on head of the sheet. The entry should be [illegible]

Column 11, Last permanent residence. Attention is called to the distinction between race and country of which [illegible] last permanent residence and country of birth, and inquiries should be made [illegible] at money orders in that regard. For [illegible] France appears under the [illegible] "French," between people and, to-day, French appears under the [illegible] not mean France, but means Asiatic German, or Hebrew who [illegible] [illegible] Switzerland, Switzerland, or any other country. In the [illegible] the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Christian or other lands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (last permanent residence). Actual and intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The entries must be full, i. e., should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, race, country of birth, nationality, or race.

Column 12, Whether seeking to join a relative (name and address). The entry should be "Yes" or "No." If "Yes" should give name and address of such relative. If no such relative living, give "No."

Column 13, Ever in prison, etc. The answer to this question should show whether the intending future permanent residence. The entry should be "Yes" or "No." If "Yes" should state whether [illegible] of [illegible] intended future permanent residence, if within the United States, or elsewhere, outside the United States.

Column 14, Whether in possession of $50 and if not, how much. The answer should be either "Yes" or "No," as the fact may be.

Column 15, Whether going to join a relative and if so, what relative and where. The entry should show definitely by whom passage was paid, whether by the alien himself, by relative, by friend, steamship company, etc.

Column 16, Whether ever before in the United States and if so, when and where. The answer should give in each case the last previous visit to the United States, if any. Money brought by the head of a family should be recorded under the name of the husband, and not under the name of the wife or children.

Column 17, Whether a ticket through to final destination. The entries should show whether the alien has a ticket through to his final destination in the United States or not. If not, the entry should show the amount of money the alien has with him.

Column 18, Whether in the United States or elsewhere. The answer should be "Yes" or "No" as the fact may be. If "Yes" the entry should show with whom the alien is to join, whether a relative or friend, and if so what relative or friend, with name and complete address.

Columns 20 to 33. The proper use of explanatory and the answers like all others on the sheet are subject to inspection by [illegible] officers. However, no answers [illegible] alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, G. Gendreau, Surgeon of the ..., do solemnly, sincerely and truly swear that I have had Sixteen (State whether regularly graduated therewith or employed by ... as the case may be) years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Paris ..., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, seventeen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 6 (*Married or single*).—The answer should be M married, S single, Wd widowed, or D divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, seamstress, engineer, laborer, operative cutter, farmer, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engine or, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Can read?" "Can write?" "Can both read and write?" In answering this question the intent of the law should be observed. If an alien is able to read, he should be accredited as able to read, although unable to write. If unable to read and claim exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully examined to see that no confusion exists in the record. For instance, "France" appearing under the proper heading as said country clerks in the record. For instance, "From" appearing under the heading country does not mean "French" by race or people, and, similarly, "From" appearing under the heading country does not mean "France" by country. An Irish, German, or Hebrew alien by birth may be a citizen or subject of any country. Hence, the entry under the heading of race or people must mean "France" by country. An Irish, German, or any other country. In this connection the following observations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, save name and address.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entries should show definitely the place (city or town, if in the United States) of intended future permanent residence, if within the United States—country, if outside the United States.

Column 14 (*Whether having a ticket through to final destination*).—The answer should be either Yes or No.

Column 15 (*Whether in possession of $50 and by whom purchased, and if not, by whom passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should be included in the total amount shown for the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as, 1894–1897, Philadelphia.

Column 18 (*Whether going to join a relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers—like all others on the sheet—are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible] Gershowitz, Surgeon of the [illegible], (State whether Surgeon sailing therewith, or employed by owners thereof, as the case may be) do solemnly, sincerely, and truly swear that I have had fifteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, fifteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Hame and number.* — Surname and given name should be written in this column. The space [illegible] should be extended to the right.

Column 2. *Age.* — The age should be entered in this column. The letter Y should be added to the number, thus: 25Y. If the age is under one year, the number of months, thus: 6M, should be entered. If the age is under one month, the letter D should be added, thus: 15D.

Column 3. *Sex.* — The entry should be either M male or F female.

Column 4. *Married or single.* — The answer should be M married, S single, Wd widowed, or D divorced.

Column 5. *Occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien. Such terms as laborer, farmer, merchant, tailor, seamstress, boy, girl, or gentleman are indefinite and unsatisfactory, and should not be used. If the alien has no occupation, the entry should be "None." Infants should be described according to the occupation of parents, if any, as "Child," "Farmer," "Laborer," etc., and if the parents have no occupation, the entry should be "None." Aliens formerly engaged in gainful occupations, but incapacitated by old age, sickness, or infirmity from following their former occupations, should be entered as "Laborer," "Farmer," etc., and not as "None."

A description sufficiently full and specific to show to which of the classes of skilled and unskilled labor the alien belongs should be given. Such terms as mechanic, engineer, clerk, etc., should be followed by words indicating the character of work done, as "mechanic, shoe factory," "engineer, stationary," "clerk, dry goods store," etc.

Where a person has followed two occupations, that one should be entered at which he worked longer during the last year.

Where a person has been employed at different occupations during the year, that one should be entered at which he was employed the greater part of the year.

Where a person has been employed at two occupations for the same length of time during the year, that one should be entered at which he was employed the greater part of the day.

Where a person has no occupation, the entry should be "None."

Where a person has been employed at different occupations during the year, but is not employed at the time of the examination, the occupation at which he was employed the greater part of the year should be entered.

Where a person has been employed at different occupations during the year, but is not employed at the time of the examination, the occupation at which he was employed the greater part of the year should be entered.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (if any).*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. (*Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by immigrant inspectors and deputy clerks during the personal examination of alien arrivals.

Column 8. (*Able to read or write.*—This column is subdivided and contains the following questions: "Read what language, if examination is claimed upon what grounds?" In answering this question "Read what language, if examination is claimed upon what grounds?" In answering this question the alien may choose the agent's ability to read any language he selects. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Answers should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully revised by some one of experience in such matters. For instance, "France" appearing under the head of "Country of last permanent residence" may refer to Alsace-Lorraine, Brittany, Provence, or other district, and the race or people may be Alsatian, Breton, Provençal, Basque, or "French" by race or people, and, similarly, "French" appearing under the heading of "Country to which people belong" may mean "France" by country. An Irish, German, or Hebrew alien may be a citizen of the United States, Great Britain, Germany, Russia, or any other country. In this connection the following observations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who does not come from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i. e., compartments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. (*Last permanent residence.*—Actual and intended residence of one year shall constitute permanent residence. The fact of entry in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence includes aliens who are permanent residents of the United States and who, during a visit abroad, should be recorded "United States."

Column 12. *Name and complete address of relative in country whence alien came.*—The entry should be name and address of such relative. In case such relative is dead no entry should be made.

Column 13. *Final destination.*—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should state definitely the place (city or town) of intended future permanent residence within the United States, and not the United States.

Column 14. (*Whether ticket is through to final destination.*—The answer should be either Yes (ticket) or No (cash).

Column 15. (*Whether in possession of $50 and by whom furnished; if not, by whom paid.*—The entry should show the amount, by whom possessed (whether by alien himself, father, brother, uncle, or relative), and whether in cash, draft, money order, etc.

Column 16. (*Whether going to join a relative or friend, and if so, what relative or friend, and complete address.*—The answer should give in each case the name of the relative or friend with whom alien intends to live, and complete address.

Column 17. (*Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not alien was ever in the United States before and if so, the year or period of years and place, as 1901, Philadelphia.

Column 18. (*Whether going to join a relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 43.—These questions are self explanatory and the answers, like all others on the sheet, are subject to verification by immigrant officers in the examination of aliens. However, if an answer to question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Dr Giordano Tommaso, Surgeon of the S/S, do solemnly, sincerely, and truly swear that I have had twenty-five (employed by) (visited with) (Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of New York University, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, four in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 1 day of [illegible], 19[illegible] Giordano Tommaso

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

I, [illegible] master, of the S/S [illegible], from [illegible], do
(State whether Master, First, or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. This space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or dialect, if examination is continued upon what ground?" In answering this question the inspector will enter the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, France appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "French" by country. An Irish, German, or Hebrew alien by race must be properly so given under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than either Cubans or Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this race or people.

HEBREW.

Under the head of Hebrew should be classed all persons of the Hebrew race, regardless of the country from which they come, and whether they speak the Hebrew or any other language or dialect.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*How much money in own possession (not less than $50)*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not Yes or No, in the United States before, and if so, the year or period of years and place, as 1891, 1894, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inspection by inspectors and officials in the examination of aliens. However, in answering question 27, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such application should be given.

AFFIDAVIT OF SURGEON

I, Dr Giordano Tommasi, Surgeon of the SS RELVEDERE employed by owners thereof, do solemnly, sincerely, and truly swear that I have had Twenty five years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of University of Naples, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, five in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, the affidavit of verification shall be executed before the commissioner of immigration at the port of arrival, or before any officer authorized to administer oaths that may have been designated for the purpose by the Secretary of Commerce and Labor; but if no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

I, [illegible] Master, (State whether Master, First or Second Officer) of the S S [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head-tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. (*Married or single.*—The answer should be M, married; S, single; Wd, widowed; or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply, as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who controls it.

Separate papers should not be used for this question on the manifests, and corrections should be made if necessary, by inspectors and not by the boards doing the personal examination of alien arrivals.

Columns 8, 9, 10, 11, 12, and 13.—Each of these columns is divided and contains the following questions:

Read what has been set for, if exemptions are claimed, then what proceeds.] In answering this question the examining officer should ascertain whether the alien is able to read, and if so, he should be so stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the determination of race, and the country of which entrant is a subject, country of last permanent residence, and country of birth, and nationality should be correctly reported by immigrants and reentry cards in the issuance thereof. For instance, "France" appearing under the head of country of birth should be followed by "French" under the head of race or people, and similarly, "French" appearing under the head of race or people should be followed by "France" under the head of country. An Irish German, or Hebrew should not be marked as coming from the British Isles, England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people of the Negro race.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. (*Last permanent residence.*)—A total or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country, not city or town of last permanent residence. It is important for statistical purposes that strict and proper care be taken accurately to show each country's last permanent residence, independent of country of nativity, territory, residence, country of birth, nationality, or race.

Country of last permanent residence of naturalized aliens who are permanent residents of the United States and not requiring passports should be recorded "United States."

Column 12. *Name and complete address of person in country whence alien came.*—The entry should show name and address of such relative. If no such relative, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, and State of intended future permanent residence, if within the United States, and not merely the name of the United States.

Column 14. *Whether ticket is paid for by himself or by other person or corporation, society, or other friend, and whether he has been in possession of $50 or more, and how much.*—The answer should be either Yes or No, as the case may be.

Column 15. *Ever in prison, almshouse, asylum, or insane hospital.*—The entry should show the cause by whom paid, as, self, husband, father, brother, employer, steamship company, friend, State, society, etc.

Column 16. *Whether in possession of ticket to final destination.*—The answer should give name of railroad or railroads, or other means of conveyance, to be used by alien from port of arrival to his final destination.

Column 17. *Whether going to join a husband, wife, father, or other relative; name, relationship, and complete address of such relative.*—The entry should show whether going to join, or has a relative or friend, and if so, what relative or friend, and complete address of such relative or friend.

Column 18. *Whether going to join a friend, and if so, what friend, and complete address of such friend.*—The answer should show whether going to join, or has a relative or friend, and if so, what relative or friend, and complete address of such relative or friend.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the manifest, are subject to revision by inspectors or officers in the examination. Under, however, in answer to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Dr Giordano Tommaso, Surgeon of the 95 BELVEDERE employed by owners thereof, do solemnly, sincerely, and truly swear that I have had twenty five years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of New York University, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, six in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *How classed by S. S. Co.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to infants under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation (trade or profession) of each alien, as for example: Civil engineer, stationary engineer, laborer, cook, seamstress, tailoress, miner, brass polisher, steel worker, iron molder, wood turner, etc., and not merely laborer, seamstress, polisher, molder, turner, or cook, unless the designation is accurate.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in each case.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Special importance should be given to the question on the manifests and corrections should be made, if necessary, by inspectors and clerks during the personal examination of aliens at ports.

Column 8. *Whether able to read or not.*—This column is subdivided and contains the following question: Read what language or dialect, if any person can read, upon what ground? In answering this question the question should be asked: Can the alien read? If alien is unable to read, should be so stated. If alien is unable to read and claims exemption from the educational test, the ground for such exemption should be given.

Column 9. *Nationality of race.*—Question 9 should be construed to mean the country of which he is a citizen or subject.

Column 10. *Last permanent home.*—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Column 11. *Final destination.*—Subject to the instruction between race and the country of which citizen or subject, consists of the persons to whom entry is to be given, and country of birth, and manifests should be so made. Thus, a Hebrew person, born in Russia, coming to join husband, who is a citizen of the United States, should be described as a Hebrew person, and, similarly, "French" appearing under the head of "Race or people" should not be entered as "France," but as "French." Another illustration: A Polish person, born in Russia, coming to join husband, who is a citizen of the United States, should be described as a Polish person, and not as a Russian. In connection with the following designations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK.

"African (black)" refers to the African Negro who has come from Cuba or other islands of the West Indies, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN—NORTH.

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, south."

Column 11 (*Last permanent home*).—Under act to be entitled no person of one year shall constitute permanent residence. The last permanent residence regardless of the fact as to length of time. The entries in response to the last permanent residence regardless of the fact as to length of time. The entries in response to should show town or city, and city or town of last permanent residence. It is important for statistical purposes that town, city, or county should be accurately stated. If country of last permanent residence is not the same as country of birth, indicate the change.

Country of last permanent residence of persons who are permanent residents of the United States and who are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of relative or friend in the country whence he came.*—The entry should be name and address of such relative. If no such relative or friend, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should show the state to which aliens are permanent residents. As, for example, if they have resided one year or more in the United States and have declared their intention to become citizens of the United States, they are permanent residents of the United States.

Column 14. *Whether having a ticket through to final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether coming by whom passage was paid and whether in possession of $50 and by whom furnished, if less.*—The entry should show by whom passage was paid (whether by himself, herself, or by another person, giving such person's name and address), and whether in possession of $50 or more, and if less than $50 by whom furnished. Money brought by the alien or by his family should be counted, whether in the possession of the alien or his family or in the hands of friends.

Column 16. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not the alien has ever been in the United States before, and if so, the year or period of years when (as 1894-1897, Philadelphia).

Column 17. *Whether coming to join relative or friend, and if so, what relative or friend and full name and address.*—The answer should show whether coming to join either a relative or friend, and if so, what relative or friend and full name and address.

Column 20 (*Color*).—The question is self-explanatory, and the answer, like all others, is the fact as ascertained from the alien, in response to the examining officer. However, to answer question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter appended to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M. male or F. female.

Column 6. *Married or single.* — The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply, engineer, polisher, molder, turner, or other indefinite designations.

A laborer may be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should assist in obtaining uniform returns, and corrections should be made, if necessary, by the inspector stationed at the port where the examination of alien arrivals is had.

Column 8. *Able to read and write.* — This column is to be ruled and contains the following question: Read what language (or if can not read is claimed age) in what country?" In answering this question the examining officer should ascertain whether the alien can read and write, and if he can not, the entry should be "No." If the alien is able to read and write, the entry should be "Yes." Aliens who can read but not write should be reported as able to read and write. If the alien is unable to read, the entry should be "No," and the alien will be reported as such, even though he may be able to write. If the alien is unable to read the entry should show the race or people he belongs to, as Hebrew, Polish, Bohemian, Croatian, Servian, Bulgarian, Roumanian, Russian, Finnish, Lithuanian, Dalmatian, Magyar, Slovak, Ruthenian (Russniak), Slovenian, Montenegrin, Albanian, Greek, Armenian, Turkish, Syrian, Arabian, Persian, Hindu, Chinese, Japanese, African (black), Negro, Indian, or other race or people, as specifically, "French" apparently means the French race or people, and not the country of France, which is to be stated in the next column. "Spanish" apparently means the Spanish race or people, and not the country of Spain, which is to be stated in the next column. An Irish, German, or Hebrew alien is not to be reported as such, but as a British, German, or Russian subject, or as a citizen of some other country. In the case of the Hebrew the race or people should be carefully observed.

CUBAN

The term "Cuban" refers to the Cuban people of the Negro race.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN

"South American" refers to the people of Central and South America of Spanish descent.

NEGRO (BLACK)

"African (black)" refers to the African race. No alien coming from Cuba or other West Indian islands, or South America, Europe, or Asia, who is not of the African race with an admixture of blood of the African Negro is to be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Tuscany, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, Greece, Turkey, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect. The Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or intended residence for one year shall constitute permanent residence. The last town in which he has resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence rather than country of future intended residence, country of birth, nationality, or race.

Country of last permanent residence includes aliens who are permanent residents of the United States and return temporarily to their former homes abroad. They are not "coming to the United States."

Column 12. *Name and address of person in country whence alien came.* — The entry should be the name and address of the relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* — The entry with this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the place in the United States of intended future permanent residence, if within the United States.

Column 14. *Whether ever before in U. S., and if so, when and where.* — The entry should be either Yes or No. The entry should show whether or not the alien has been in the United States before, and if so, the year or period of years and the place or places.

Column 15. *Whether joining relative or friend, and if so, what relative or friend.* — The entry should show whether he is going to join a relative or friend, and if so what relative or friend, with name and complete address.

Columns 20 to 23. — These questions, as self explanatory, and the answers, like all others, are subject to review by the examining officer, to the extent mentioned above. However, to answer question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants), whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, 1895, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax.*—Steamship lines should make no entry in this column. The space refers to Government head tax.

Column 3. *Age.*—Age for in this column should be expressed in years or months, the latter if aged under 1 year.

Column 4. *Sex.*—The entry should be either M or F, female.

Column 5. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 6. *Calling or occupation.*—The entry should describe as specifically as possible the occupation of each alien, as laborer, clerk, cook, domestic servant, tailor, carpenter, mason, engineer, civil engineer, mechanical engineer, miner, machinist, moulder, turner, weaver, dressmaker, milliner, seamstress, etc. Avoid such indefinite terms as "manufacturer," "dealer," "trader," "agent," "clerk," "servant," "laborer," "engineer," "mechanic," "miner," "machinist," "moulder," "turner," "weaver," "dressmaker," "milliner," "seamstress," etc., unless accompanied by a definite statement of the kind of manufacturer, dealer, trader, agent, clerk, servant, laborer, engineer, mechanic, miner, machinist, moulder, turner, weaver, dressmaker, milliner, seamstress, etc., referred to.

No distinction should be made between farmers and farm laborers, regardless of the amount of money she may have.

A person who operates a farm, either for himself or for others, should be returned as a farmer.

A person who works on a farm, but does not operate it himself, should be returned as a farm laborer.

A person having no occupation should be returned as "none." Initials and abbreviations should be avoided.

Column 7. *Able to read.*—The entry should be "Yes" or "No" to indicate whether the alien can or cannot read the English language or some other language or dialect.

Column 8. *Able to write.*—The entry should be "Yes" or "No" to indicate whether the alien can or cannot write.

Column 9. *Race or people.*—The answer should indicate the race or people to which each alien belongs, as Bohemian, Bulgarian, Chinese, Croatian, Dalmatian, Dutch, English, Finnish, French, German, Greek, Hebrew, Irish, Italian (North), Italian (South), Japanese, Korean, Lithuanian, Magyar, Mexican, Pacific Islander, Polish, Portuguese, Roumanian, Russian, Ruthenian (Russniak), Scandinavian, Scotch, Servian, Slovak, Slovenian, Spanish, Spanish-American, Syrian, Turkish, Welsh, West Indian (except Cuban), or other people or race, according to the best classification adopted by the immigrant himself, or in order to, or any other country. In this column "Negro," "black," or "mulatto" should be specifically observed.

CUBAN.

The term Cuban refers to the Cuban people and Negroes.

WEST INDIAN.

The term West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

The term Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The term African (black) refers to natives from Continental Africa or the islands of the West Indies. Both the North American Negro or African Negro, with admixture of blood of the African Negro, should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10. *Last permanent residence.*—Actual or intended residence for one year shall constitute permanent residence. The last permanent residence with which compliance is required is "remaining one year or months," but the last permanent residence is to be regarded as fixed by the fact as to residence therein. The entries in this column should show the state, province, and city, or town of last permanent residence. It is important for statistical purposes that the townships, communities accurately show country of last permanent residence independent of country of birth or of future residence. Country of birth, nationality, or race of persons of last permanent residence in the United States who are permanent residents of the United States and citizens of the United States should be added "United States."

Column 11. *Name and address of person in country whence alien came.*—The answer to this question should show the name and address of such relative. If no such relative is living, give name and address of friend.

Column 12. *Final destination.*—The answer to this question shall show the intended future permanent residence. Any change of intention as to permanent residence should be reported to the Bureau of Immigration. In the case of persons having a definite intended future permanent residence within the United States, it is desirable that the State be stated.

Column 13. *Whether ticket purchased in part or whole by person or corporation where alien came.*—The answer should be either Yes or No.

Column 14. *Whether in possession of $50 and if not, by whom amount was furnished and relationship, if any.*—The entry should show definitely by whom passage was paid, whether by himself, father, mother, other relative, friend, steamship company, etc.

Column 15. *Whether in possession of $50 and if less than $50 how much.*—The answer should give in each case the exact amount. There is no limit to the amount of money an alien may bring into the United States. Money brought by the head of a family should be considered as the property of the family.

Column 16. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as, 1907, Philadelphia.

Column 17. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18. *Whether ever in prison, etc.*—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to verification by inspection officers at the examination of aliens. However, if in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the S.S. _____, from _____, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owner, thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing List or Manifest Sheets, Two in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by Section Three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said List or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

CUBAN

The term "Cuban" refers to the Cuban people but *Negroes*.

WEST INDIAN

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

African (Black) refers to the African Negro, whether coming from the native islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN NORTH

The people who are natives of the basin of the River Po in northern Italy, i. e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and the districts of Trentino, Istria, Friuli, Venezia Giulia, and Zara, should be classified as "Italian north." Most of these people speak a Gallic dialect rather than the Italian language.

ITALIAN SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., the departments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and the districts of Istria, Dalmatia, and Zara, should be classified as "Italian south."

[illegible] — A legal permanent residence is one where a person has his home, and to which, whenever he may be absent, he has the intention of returning. A person may have two residences, but only one permanent residence. In order to acquire a residence there must be both bodily presence and intent to remain. Residence may be lost by abandonment with intent not to return, although a person may return to the place of former residence within a short time. It is important that the immigrant should state the place where he has his permanent residence, rather than a place of temporary sojourn. Residence must be stated by the name of the city, town, or village, and the country (or province, if in Russia). Mere entry into the United States upon a passport which describes the alien as a citizen of that country is not sufficient to establish residence therein. The country of birth may or may not be the country of residence. An alien may have been born in one country, but have a permanent residence in another country. An alien who claims permanent residence in the United States should be regarded as a person "lawfully entitled to enter the United States."

[illegible] — The answer should be either Yes or No.

[illegible] — The entire sheet should show details for each family whose passage was paid for by a relative or friend, state whose guests, etc.

[illegible] — The answer should give for each alien the name and address of the nearest relative or friend in the country whence the alien came. Money brought by the head of a family should be stated in the total for the family.

[illegible] — The entries should show whether the alien has been in the United States before, and if so, the year or period of years and the place or places of previous residence in the United States.

[illegible] — The answer should be Yes or No, and if so, what relative or friend. The answer should show whether the alien is joining a husband, wife, father, mother, other relative or friend, and if so, what relative or friend will receive him, with name and complete address.

[illegible] — These questions are self-explanatory and the answer, like all others, must be given by the alien himself. However, in answering question 29, if the alien has been absent from the United States for more than one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given

[illegible] States generally, of the Government of the United States or of any

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible] employed by the [illegible], do solemnly, sincerely, and truly swear that I have had twenty-five (State whether "sworn" or "affirmed") years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the United States, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit shall be sworn to and subscribed before a commissioner of immigration at the port of arrival, and any changes that may have occurred en route in the condition of any alien mentioned herein shall be noted and subscribed before the officer administering the oath.
If the surgeon sails with the vessel, the above-named certificate shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

Column 5. *Sex.* The entry should be either M (male) or F (female).

Column 6. *Married or single.* The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entry should be as accurately as possible the occupation of each alien, as, for example, clerk, cook, merchant, tailor, shoemaker, baker, engineer, farmer, laborer, servant, waiter, housekeeper, servant girl, seamstress, milliner, dressmaker, machinist, carpenter, mason, painter, blacksmith, miner, weaver, dyer, printer, bookbinder, glazier, butcher, barber, clergyman, musician, sailor, weed burner, etc., and not laborer, farmer, or merchant, unless the alien has no occupation. Laborers should be carefully distinguished from farmers and farm laborers, regardless of the amount of money possessed. A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed. Persons who operate a farm, either for himself or for others.

Column 8. *Can read.* Answer whether or not the alien can read. Persons who can not read, but who can write, are to be reported as able to read. Persons who can not read but can write a few words, or who can read but not write, are to be reported as unable to read and write. Any language or dialect may be stated.

Column 9. *Can write.* Answer whether or not the alien can write. Persons who can not write, but who can read, are to be reported as unable to read and write. Any language or dialect may be stated.

Column 10. *Can read and write.* This column is provided for the convenience of those reporting aliens who can read and write, or who can neither read nor write, and answers may be given by the use of the word "Yes" or "No" or by a check mark. Persons who can read but not write, or who can write but not read, should be reported as unable to read and write.

Column 11. *Race or people.* Answers to this question should indicate the race or people to which each alien belongs, as Anglo-Saxon, English, Irish, Scotch, Welsh, German, French, Spanish, Italian (North or South), Portuguese, Dutch, Flemish, Finnish, Scandinavian, Norwegian, Swedish, Danish, Russian, Polish, Bohemian, Slovak, Moravian, Hebrew, Croatian, Servian, Ruthenian, Bulgarian, Dalmatian, Greek, Lithuanian, Magyar, Roumanian, Turkish, Armenian, Syrian, Japanese, Chinese, Hindu, Korean, Mexican, Indian, Negro, Spanish-American, West Indian, Pacific Islander, East Indian, African (Negro), or other race or people, and not the country of which the alien is a citizen or subject. Persons of mixed blood should be described according to the race or people with which they are most closely connected, as Mexican, Indian, Negro, etc. Under no circumstances should the word "American" be entered.

CUBAN.

The term Cuban refers to the Cuban people not Negroes.

WEST INDIAN.

This term refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN.

This term refers to the people of Central and South America of Spanish descent.

NEGRO, BLACK.

This term refers to the African Negro, whether he comes from Cuba or other island of the West Indies, Central America, South America, Europe, or Africa. All persons of mixed blood of the African Negro race should be classified under this heading.

ITALIAN (NORTH).

This term refers to the people who are natives of that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Tuscany, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or other countries, should be classed as "Italian (North)." Most of these speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

This term refers to the people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia, and their descendants, should be classed as "Italian (South)."

Column 12. *Nationality.* The answer in this column should be the country to which the alien owes allegiance, as the United States, Great Britain, Germany, France, Mexico, Russia, Sweden, Norway, Turkey, Japan, China, etc. Persons born in Canada should not be reported as Canadians unless they are entitled to claim Canadian nationality. Persons born in Ireland, Scotland, or Wales should be reported as Irish, Scotch, or Welsh, respectively, and not as British.

Column 13. *Last permanent residence.* The answer to this question should show the nationality, country, or state which each alien has last permanently resided under the laws thereof. Mere visits as a traveler or temporary sojourn in another country than that of last permanent residence will not be regarded as residence therein. It is important that the exact country be correctly stated, and not merely a city or town. If the alien has resided in the United States, the last place of residence therein should be reported, whether such residence was permanent or temporary. Aliens coming to the United States for the first time should report the country in which they have last resided permanently, as Germany, France, Mexico, Russia, Sweden, Norway, Turkey, Japan, China, etc. Persons who have resided in Canada should not report Canada as the country of last permanent residence unless they have become naturalized under the laws thereof. Persons who have resided in Ireland, Scotland, or Wales should report Ireland, Scotland, or Wales, respectively, and not Great Britain, as the country of last permanent residence. Persons who have resided in the British Provinces of North America, which are contiguous to the United States, should report the particular province in which they have resided, as Nova Scotia, New Brunswick, Quebec, Ontario, Manitoba, Saskatchewan, Alberta, British Columbia, Yukon, Mackenzie, Keewatin, Ungava, Franklin, Prince Edward Island, Labrador, Newfoundland, etc. Persons who have resided in Porto Rico, Hawaii, Philippine Islands, Guam, Tutuila, Panama Canal Zone, Cuba, Mexico, Central America, South America, West Indies, Europe, Asia, Africa, Australia, or Pacific Islands should report the particular country in which they have resided, as Porto Rico, Hawaii, Philippine Islands, Guam, Tutuila, Panama Canal Zone, Cuba, Mexico, Central America, South America, West Indies, Europe, Asia, Africa, Australia, or Pacific Islands. Persons who have resided in Turkey in Asia should report Asiatic Turkey, and not Turkey, as the country of last permanent residence.

Column 14. *Final destination.* The answer to this question should show the intended permanent residence of each alien, whether in the United States or elsewhere. Mere visits as a traveler or temporary sojourn in the United States will not be regarded as residence therein. It will not be sufficient to report "New York" or "Chicago" as the final destination. The answer should be either Yes or No, or by the use of a check mark.

Column 15. *Ticket to final destination.* The answer should be either Yes or No, or by the use of a check mark.

Column 16. *Whether in possession of $50 and if not, by whom amount was furnished.* The entry should show, first, by whom passage was paid, whether by the alien himself, relatives, friends, steamship company, etc.; second, whether the alien has in his possession at least $50 in money, or if not, by whom the amount was furnished. It is sufficient to report "Self," "Father," "Friend," "Steamship company," etc. The answer should give in each case the name and address of the person furnishing the money. Money brought by the head of a family should be reported as the property of the entire family, and not merely as the property of the head of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.* The entry should show whether the alien has ever been in the United States, and if so, the year or period of years and the place or places where he was in the United States before, and if so, the year or period of years and the place or places where he was in the United States before.

Column 18. *Whether going to join a relative or friend, and if so, what relative or friend.* The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 19. *Examination.* The questions in this column are self-explanatory and the answers, like all others on the manifest, are subject to review by the examining officers. However, in answering question 20, if an alien has been excluded within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. Number on list. Each alien should be numbered, commencing with number 1, and the numbers should run consecutively.

Column 2. Name in full. Enter surname (family name) and given names in full. Initials may be used for given names if customarily so written. Titles, such as Mr., Mrs., Miss, Dr., Rev., etc., should be omitted.

Column 3. Age. Write the age of the alien at his last birthday before sailing. If under 1 year, the age in months should be expressed in fractions, thus: 6 months, 6/12; 9 months, 9/12. If over 1 year and under 2 years, write 1 year, 1/12 to 11/12, as the case may be. If 2 years or more, write the age in years only.

Column 4. Sex. Write "Male" or "Female."

Column 5. Married or single. Write "Married," "Single," "Widowed," or "Divorced," as the case may be.

Column 6. Calling or occupation. Every person, male or female, should be assigned a calling or occupation. Do not describe as laborer, gentleman, or without occupation. Children should be described as "child," "infant," "boy," or "girl," as the case may be. Wives should not be described as having no occupation, but should be credited with the calling they usually follow, such as housework, dressmaking, etc. Any calling, trade, profession, or occupation, regardless of the amount of income derived therefrom, should be entered. Do not use indefinite terms, such as "merchant," "manufacturer," "agent," "clerk," "engineer," "mechanic," or "laborer" without specifying the character of business conducted, such as "cotton merchant," "shoe manufacturer," "insurance agent," "railroad clerk," "civil engineer," "steam fitter," "ditch digger," etc. Common laborers, who constitute a large class, should be described specifically as "farm laborer," "coal miner," "stone mason," "brick mason," "day laborer," etc., as the case may be. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more, will be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad should be recorded "United States."

Column 12. (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether have ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Whether passage paid.*)—The entry should show definitely by whom passage was paid (as self, husband, father, brother, or other relative, friend, steamship company, etc.).

Column 16 (*Whether in possession of $50, and if less, how much.*)—The answer should give in each case individual money, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in United States; and if so, when and where.*)—The entries should show whether or not Yes or No as the United States before, and if so, the year or period of years and place, as 1901–1907, Philadelphia.

Column 19 (*Whether coming to join relatives or friends; and if so, what relatives or friends.*)—The answer should show whether going to join either a relative or friend, and if so what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by an inspection officer in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Constantinou, of the S.S. [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Five in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship companies should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter to be applied only to those under 1 year of age.

Column 5. The entry should be either M male or F female.

Column 6 (*Married or single*). The answer should be M married, S single, Wd widowed, or D divorced.

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, "clerk," "stationary engineer," "farmer," "engineer, mining engineer," "brass polisher," "steel polisher," "iron molder," "wood turner," etc., and not simply "laborer," "engineer," "polisher," "molder," "turner," or "electrician" or "mechanic" unless such be the occupation of persons who have been employed at such for a sufficient length of time to be classed as skilled workers. Persons of no occupation should be so described. Wives and children should be entered as having no occupation, even though they may assist in the housework. Any number of laborers may be entered as such, but farmers and farm laborers, regardless of the amount of money possessed, must be described as such.

A farmer is one who operates a farm, either for himself or for others.

A farmer is one who owns, works, or manages a farm.

A farm laborer is one who works on a farm for the farmer who operates it.

Steamship companies should receive no instructions on the manifests, and corrections should be made, if necessary, by inspectors at the time of the physical examination of alien arrivals.

Column 8. (*Nationality—Race or people*). This column is subdivided and contains the following questions:

Read what language: For if exemption is claimed upon what ground. In answering this question read what language, if the alien is able to read and state the race, people, or language which he has last declared. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. (*Nationality—Country to which alien owes allegiance*). Question 9 should be construed to mean the country of which alien was citizen or subject.

Column 10 (*Immigrant or not*). See instructions printed on back of this sheet. The entry should show the word or words given in reply.

Column 11 (*Race or people*). See instructions printed on back of this sheet. The race or people and the country of which citizen or subject should be entered in separate columns, and the country to which each alien belongs should be carefully selected. The words used should be those commonly applied to designate the various races, peoples, and countries of birth, and nationality should be recorded by the names of countries and not of cities or provinces. For instance, "Prussia" appearing under the head of nationality should be stricken out, and "Germany" substituted therefor. Persons born in Scotland should be described as Scotch, not British, those born in Ireland as Irish, not British, those born in Wales as Welsh, not British, and those born in England as English, not British. Immigrants who are citizens of Great Britain should be described as English, Scotch, Welsh, Irish, or Manx, according to the country from which they came. Indians, Negroes, Chinese, Japanese, Hindus, Syrians, Turks, Armenians, Greeks, Russians, Finns, Magyars, Bohemians, Moravians, Slovaks, Croatians, Dalmatians, Servians, Montenegrins, Bosnians, Herzegovinians, Roumanians, Portuguese, Spanish, Mexicans, Cubans, Porto Ricans, Central and South Americans, West Indians, Scandinavians, Dutch, Flemish, Belgians, Swiss, French, Italians, Australians, New Zealanders, Canadians, Newfoundlanders, Boers, Africans, Hawaiians, Filipinos, Samoans, Guamanians, Tutuilans, Tongans, Koreans, Arabs, Germans, or Hebrews alone, should be entered as such. Persons born in Great Britain or Ireland, Scotland, Wales, or any other country. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes of the West Indies from Cuba or other islands of the West Indies, South or South American Republics, or Africa. No one of such admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian race.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 12 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which an alien resided with the intent to remain one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 12 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a temporary visit abroad should be the United States.

Column 13. *Name and complete address of relative living in country whence alien came.* The entry should give name and address of such relative. It is such relative living, give name and address.

Column 14 (*Final destination*). The answer to the question shall show the intended future permanent residence. Any intended temporary residence, even though for a definite period of time, as a visit of intended future permanent residence, it within the United States, should be disregarded. If place of intended future permanent residence is within the United States, it shall be entered in the United States.

Column 15 (*Whether in possession of railroad ticket to such final destination*). The answer should be either Yes or No, as the case may be.

Column 16 (*Whether in possession of money and how much*). The entry should show definitely by whom passage was paid, as, for example, "Self," "Father," "Government," "Steamship company," etc.

Column 17 (*Whether ever before in the United States, and if so, when and where*). The answer should give in each case the last visit. Money brought by the head of a family should be entered under the name of the husband, and that brought by a married woman under the name of her husband.

Column 18 (*Whether ever in prison or almshouse or institution for insane or supported by charity, and if so, what and when*). The entries should show whether in the United States before and if so, the year or period of years and place, as, 1891 Phila., 1901 Phila., etc.

Column 19 (*Whether coming to join a relative or friend, and if so, what relative or friend and address*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 (*Ultimate destination*). Those questions require no explanation and the answers like all others on the sheet are subject to correction by immigrant inspectors at the examining station. However, if answer to question 20, if alien has been excluded within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible] Sheridan Thomas, Surgeon of the S/S ..... employed, owners Tried, do solemnly, sincerely, and truly swear that I have had Twenty five years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Ministry of Naples, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Kristol Lambrich master, of the S.S. BELGIC, from ....., do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, twelve in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

..... master ~~Officer.~~

Sworn to before me this ..... day of ....., 19

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2. *Head tax.* — Steamship lines should make no entries in this column. The head tax of $4 for each alien admitted, and $8 for each alien rejected, will be collected by the immigrant inspector.

Columns 3, 4, 5. *Name.* — The answer in this column should be expressed in three words, the last name or surname, the first name, and the middle name or initial, in the order usually followed in writing names.

Column 6. *Sex.* — The answer should be M (male) or F (female).

Column 7. *Married or single.* — The answer should be M (married), S (single), Wd (widow), or Wr (widower).

Column 8. *Occupation.* — The entry should describe as accurately as possible the occupation of each alien, if any, at the last place where he has been employed. Such terms as "laborer," "farmer," "servant," "merchant," "clerk," "tailor," "seamstress," "shoemaker," "carpenter," "blacksmith," "cook," "waiter," "barber," "tailoress," "dressmaker," "milliner," "housekeeper," "nurse," "midwife," "engineer," "fireman," "machinist," "boilermaker," "molder," "weaver," "spinner," "dyer," "printer," "bookbinder," "cabinetmaker," "upholsterer," "painter," "glazier," "tinsmith," "roofer," "plumber," "steamfitter," "brass polisher," "stone polisher," "iron molder," "wood turner," etc., should be used. Entries of "none," "child," "student," "scholar," "housework," "at home," or "housekeeper" should be made only for children under 16 years of age, unless they have been employed at some occupation. A wife should not be reported as having the occupation of her husband unless she is actually assisting him in his occupation. No entry should be made for infants in arms not having any occupation. A distinction should be made between farmers and farm laborers, regardless of the amount of money owned.

A farmer is one who operates a farm, either for himself or for others.

A person who works on a farm for wages, share, or board is a farm laborer.

A gentleman of leisure is one who has retired from business and has sufficient means to support himself without labor.

Attention is directed to the necessity of making the entries in this column with care, as the correctness of the answers to the questions relating to the physical and mental examination of aliens arriving at ports of entry depends largely upon the information here recorded. The column immediately following (column 9) contains the following question: "Can read?" The word "can" in answering this question should be construed to mean "can, if he will." In answering this question, therefore, no one who is able to read, but who refuses to do so, should be reported as able to read. Italian (or any other) alphabet is considered sufficient to constitute ability to read. Persons who can read only printed characters should be reported as able to read. Illiterate persons who can read only a few words or sentences should be reported as able to read. The word "read" in this column should be construed to refer to the ability of the alien to read the language or dialect used by him.

Column 9. *Can read?* — See instructions for column 8. The answer should be Yes or No.

Column 10. *Race or people.* — Specific instructions as to the race or people to which each alien belongs will be found printed on back of this sheet. The entry should show the race or people of which each alien considers himself a member, whether the same be that of the country of which he is a citizen or subject or not. Special attention is directed to the necessity for a close distinction between race and the country of which citizen or subject. Thus, natives of Scotland should be reported as Scotch and not as British; natives of Wales should be reported as Welsh and not as British; natives of England should be reported as English and not as British; natives of Ireland should be reported as Irish and not as British; natives of Germany should be reported as German and not as Prussian, Bavarian, Saxon, Hanoverian, Wurttemberger, Hessian, Palatine, or Hessian; Most of these people speak a Gallo-Italic dialect of the Italian language.

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute a permanent residence. The last country in which an alien has resided with the intention of remaining one year or more is his last permanent residence, regardless of length of actual residence thereon. The entries in this column should show the country, and city or town, of last permanent residence. It is important that the intelligence required by this column should be fully and correctly given. The country of last permanent residence made by each alien should be entered, whether it be the country of birth, nationality, or race.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Witte Immigration master, of the SS ..... , from ..... , do
(State whether Master, First, or Second Officer)

solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, fourteen in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Master Officer.

Sworn to before me this ..... day of ..... 1920 ....., 19

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (yes or no).* Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be either M (male) or F (female).

Column 6. *Whether married or single.* The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, farmer, laborer, tailor, clerk, servant, wife, or child. Do not enter merely "laborer," "mechanic," or "engineer" unless the term is accompanied by a word or words indicating the character of the labor performed, as "laborer, coal mine," "mechanic, bridge builder," "engineer, mining," "engineer, brass polisher," "steel polisher, iron molder, wood turner," etc., and the word "servant" should be followed by a word indicating the character of the service, as "servant, domestic," "servant, private family," "servant, hotel," etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may show; as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Seaman's papers should not be relied upon in making entries on the manifests, and corrections should be made, if necessary, by the examining surgeon at the personal examination of aliens at ports of arrival.

Column 8. *Able to read or not.* This column is to be ruled and contains the following question: "Can the alien read or not?" In answering this question "Read" should be understood to mean the ability of the alien to read some language or dialect. If the alien is able to read and claims that he can read, the alien is to be so recorded. If he is unable to read and claims that he can read, the alien is to be recorded as unable to read. Persons should be given the benefit of the doubt in favor of literacy, and the word "yes" should be given in answer to this question unless it is clearly established that the alien is unable to read. The word "yes" should be construed to mean the ability of the alien to read some language or dialect.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See letter in large print, on back of this sheet. The entry should show the race or people of which each alien belongs.

Separate alien should be provided for the European races and the country of which the alien is a native or citizen of last permanent residence, and Negroes, Asiatics, and natives of the United States of any race of last permanent residence, shall be entered as follows: For instance, "France" appearing under the head of the passport as the native country of a Frenchman, "Italy" appearing under the head of the passport as the native country of an Italian, "England" appearing under the head of the passport as the native country of an Englishman, "Ireland" appearing under the head of the passport as the native country of an Irishman, "Scotland" appearing under the head of the passport as the native country of a Scotchman, "Germany" appearing under the head of the passport as the native country of a German, or "Hebrew" appearing under the head of the passport as the native country of a Hebrew, irrespective of whether they may have been nationalized in France, England, Ireland, Scotland, Germany, or Hebrew countries, or any other country. In the absence of passports, the following classifications should be regarded as observed:

CUBAN.

The term "Cuban" refers to the Cuban people of Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

MEXICAN.

"Mexican" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether born in Africa or in Cuba, Haiti, or other islands of the West Indies, North or South America, Europe, or Africa. Any person who has any trace of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria, France, or other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Words or expressions indicating one year's residence or more shall be entered as "permanent residence." The letter Y may be written to denote yes, and the letter N to denote no. In the event that the alien has resided in more than one country for periods of less than one year each, the country in which he has resided for the greatest length of time during the past year should be entered as the country of last permanent residence. It is important that in answering this question the alien should clearly show the country of last permanent residence, and not merely the country of last temporary residence, country of birth, nationality, race, or people.

Column 12. *Name and address of nearest relative or friend in the country whence alien came.* The name and address of the person who paid the alien's passage or who otherwise provided the money with which he came to the United States should be entered in this column. If the alien has no friends or relatives in the country whence he came, the fact should be stated.

Column 13. *Final destination.* The name of the city, town, or village should be given for which the alien is destined. If destined to some place in the United States, the name of the State should be given. If destined to some place in a foreign country, such country should be given. The answer should be either Yes or No.

Column 14. *Whether having a ticket through to final destination.* The answer should be either Yes or No.

Column 15. *Whether in possession of $50 and if not, how much less.* The entry should be made by the alien himself, whether he is in possession of $50 or more, or if less than $50, how much less. The entry should also cover money in the form of drafts, letters of credit, etc.

Column 16. *Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.* The name and address of the relative or friend to whom the alien is going should be entered in this column. If the alien has no relatives or friends in the United States, the fact should be stated.

Column 17. *Whether ever before in the United States, and if so, when and where.* The entry should show whether the alien has ever been in the United States before, and if so, when and where he went, and how long he remained. If he has been in the United States before, the entry should show whether he returned to the country whence he came after his visit to the United States, or whether he went to some other country.

Column 18. *Whether ever in prison or almshouse or supported by charity, and if so, which.* The entry should show whether the alien has ever been in prison or almshouse or supported by charity, and if so, which.

Column 19. *Whether a polygamist.* The entry should show whether the alien is a polygamist.

Column 20. *Whether coming to perform any specific contract, and if so, what.* The answer should show whether the alien is coming to perform any specific contract, and if so, what the contract is.

Column 21. *Whether an anarchist.* The entry should show whether the alien is an anarchist.

Column 22. *Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law.* The entry should show whether the alien believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law.

Column 23. *Whether a person who has been or will be deported as having been found in the United States in violation of the immigration act of February 5, 1917.* The entry should show whether the alien has been or will be deported as having been found in the United States in violation of the immigration act of February 5, 1917.

Column 24. *Whether a person who has been or will be deported as having been found in the United States in violation of any* [illegible] *character.*
